**DURASTRIPE®**

**Supreme V**

Supreme V est la 5ème génération du DuraStripe original. C'est la version la plus polyvalente disponible : sa durabilité et sa conformabilité à toute surface permettent son utilisation dans la plus large gamme d'installations et des conditions variées de sol.

**DURASTRIPE®**

**Ultra**

La durabilité ultra-élevée combinée à une résolution d'image parfaite font de DuraStripe Ultra la solution idéale pour toute logistique, tout commerce électronique et toute zone à fort trafic où la sécurité, la communication et la durabilité sont essentielles.

La Signalétique DuraStripe est entièrement personnalisable; Choisissez vos textes, couleurs, pictogrammes ou logos. La Signalétique DuraStripe est plus avantageuse que l'utilisation de la peinture car elle ne nécessite aucune main d'oeuvre spécialisée pour sa mise en place et s'installe dans un rien de temps. De plus, vous n'encourez aucune perte de temps ou de productivité en raison d'un nettoyage, d'un séchage ou d'émanations. Notre marquage au sol résistant à la décoloration est durable et suffisamment robuste pour résister aux chariots élévateurs et à la circulation des piétons et bénéficie d'une garantie de 2 ans.
